

# I.V. Sedation Instructions

- Please have any prescriptions filled immediately. If you have any questions about them, please call our office. Start your prescribed medications one (1) hour before surgery.
- You will need a responsible adult to bring you and take you home following surgery. You should also have someone to stay with you following surgery if we plan to use any sedatives with you.
- You may have a light meal prior to surgery.
- Please wear comfortable clothing with short sleeves.
- Please, NO CAFFEINE DRINKS PRIOR TO SURGERY.
- Remember not to use any alcoholic beverages as long as you are taking any medication we have prescribed for you.
- If you smoke, please keep it to a minimum.
- Please do not hesitate to call us if you have any questions prior to your appointment.
